

WOMEN'S NORTHWEST SUBURBAN TENNIS LEAGUE

SPRING - 2024

Dear Captains,

Welcome back to another spring season. Listed below are the duties of a team captain.

1. Captains should know the rules, which are on this website. Review them with your teammates. Please note the important change in rule 6-G, which says no coaching is allowed on or off the court once the match has begun.
2. Give each member a schedule or tell them to visit the website.
3. Captains must be sure that all players and subs are listed on the team roster that was sent to the Chairman. If a sub is needed that is not listed on the team roster, that name must be added to the team roster before she plays a match. Names can be added by emailing or phoning the Chairman or Division Rep.
4. Captains should report complaints to their division rep. as soon as possible after the match.
5. Captains must contact each other at least two days before match day to make arrangements for the next match. If all four teams are not playing at the same time, it's the visitor's choice who plays first or second. A decision about whether to play indoors or outdoors must be made before 8:00pm of the night before the match, unless both captains agree to another time. Please note rule 3-A and 3-B.
6. Captains are responsible for securing indoor courts in case of inclement weather. Captains must watch weather forecasts and plan ahead so courts can be secured.
7. Captains of the home teams must print out the score sheets on this website and send scores to their division reps. within 2 days of the match. Scores may also be photographed and emailed. Emails and addresses of division reps are on the schedules.
8. Trophies will be given to division winners and scores will be posted on our website at www.nwstl.org.

Have a good season,

Cynthia Harvey
